Highland Springs High School
Highland Springs, Va.

Dedication

To the high ideals of our school, the honor, friendliness, and fair play for which it stands, we dedicate this THE 1948 HIGHLANDER. These ideals we hold ever foremost and will take them with us as we venture out into the world. ★ The Highland traditions—thriftiness, courage, and loyalty—which are ever present at Highland Springs, we hope can in some way help to bring inward happiness and lasting character throughout our lives and the lives of those with whom we may come in contact. May they forever linger in the school of which we are so proud.

Foreword

A respect for our school, a love for our friends, and a desire to go forward have been our inspirations in the presentation of this annual. It is our desire that the perpetual flow of this spring symbolize our inspiration throughout life. With the hope that it reflects the happiness, spirit, and progressiveness of our high school life, the Staff presents The 1948 Highlander as a record of this year at Highland Springs High School. ★ As we cross the stately portals of our Alma Mater, we realize we have "NOT FINISHED, JUST BEGUN."

THE SPIRIT OF '47

Every school has some athletic record of which to be really proud. Whether it be in football, baseball, or basketball, the pupils strive with all their might to retain their reputation and previous records. So, we at Highland Springs plunged into football season this fall, not forgetting the fact that

we were undefeated last year, and came out on top holding our heads high, proud that we had come to the end of another victorious season. ★ The reasons for our great success were many, namely: respect for our fellow team-mates and coaches; the spirit of both team and school; the will to

Bill Cooley, Center Boonie Needham, Back Jimmy Murray, Back George Smith, Guard Charlie Murray, Back Wilbur Jordan, Back

win; the long practices at hard work. We owe a lot to our coaches who encouraged the members of the team to praise each other and to play a clean game. Our thanks go to the cheer leaders for the great job they did in keeping our school spirit running high, to the student body who so greatly boosted our morale, and to the band, which inspired our spectators as well as thrilled our team. ★ We started off with a "bang" when we won our first game, and we ended the season with the biggest victory of all. So we'd like to say to our football team, "Hats off. Just let this past season be merely an example of what you can really do!"

Highland Springs, 12—Thomas Jefferson, 0

land's Henry Clay High by a mighty score of 20-12.

BOYS' BASKETBALL "A" TEAM

Our 1948 basketball team completed a very successful season, winning ten games and losing five. The team was led by Jimmy Murray and Bill Cooley as co-captains and Dick Burrell as coach. ★ The season began with six lettermen, and when completed two additional players received letters. Each of these players are to return to school next year. ★ Highland Springs averaged 36 points per game against their opponents' 30.5 points per

game. ★ Jimmy Stewart, one of the early season stand-outs, suffered two bad ankle sprains and was unable to complete the season. The two Murray brothers were our playmakers and Needham was our defensive star. Billy Bell was our leading scorer with 143 points for the season and an average of nine points per game. He received the Alexander trophy as the most valuable player of the 1948 season. ★ Our team was invited to compete in the District Tournament held at Randolph-Macon College. They played Falmouth on March 4, but were defeated 35 to 44.

BOYS' BASKETBALL "B" TEAM

Although our "B" Team lost most of its games played, it is to be highly commended. Its competition was in a much higher class and it also had great difficulty practicing, as it could only use the gymnasium a few times each week.

Mr. Sorrell coached the team and Charlie Lange served as manager.

Pete Wash was elected captain and was also high scorer for the season.

"SWISH!"

Three lettermen from last season, Bobby Tate, Pete Wash, and Fred Lange, were active players throughout this season. They and Gene Holder, Tommy Mullins, and Jack Johnson received letters at the close of this season.

The practice and experience of these players will be a great advantage to the Varsity team next year.

Acknowledgment

Well, this is it! The end of the book and the end of the '47-'48 year at Highland Springs. We hope that each time you close the book you will feel that you have re-lived this year. We will have fulfilled our purpose. It could not have been done without the help of the following, whom we wish to thank:

Whittet & Shepperson, printers, especially Mr. Stirling King, for his fine advice and patience.

Caffey's Studio, and Mr. Dryer for his personal interest and suggestions in making our party and individual pictures.

W. W. Thompson Co. and its photographers for their help with our individual and group pictures.

The "Photo Bugs" for their ever-ready willingness to assist with "candid shots."

The News Leader for some of their "shots" of football games.

Our advertisers, without whose interest and support our financial obligations could not have been met.

Miss Lucy Waring, our chief adviser, for her guidance with our inexperienced staff.

Miss Ellen Copenhaver and her art classes, especially Emma Gallmeyer, for their long hours with our art work.

Miss Ada Land for serving as our literary adviser.

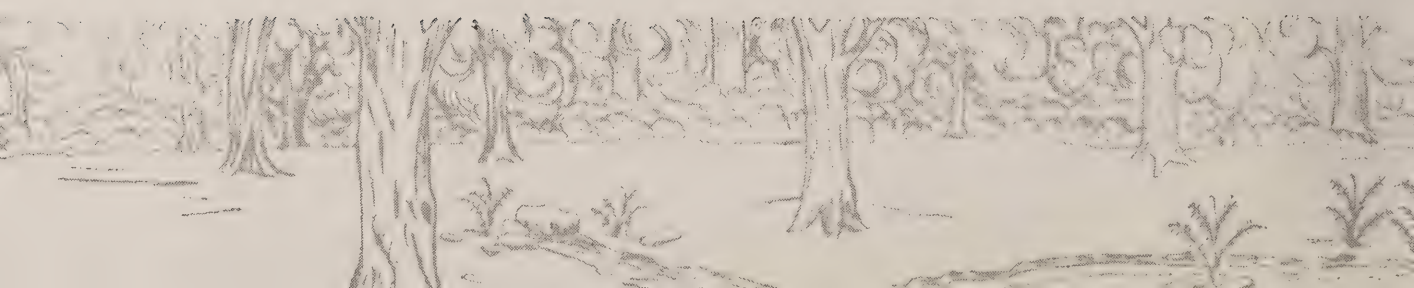

Mr. Garnett Haynes for acting as our financial adviser.

The Senior Class, Student Body, Faculty and Administration, who gave us help, inspiration and incentive.

Finally, our thanks go to a hard working staff.

THE MARK OF A CHAMPION

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.
